

Department of Transportation — Federal Aviation Administration

Supplemental Type Certificate

Number SE124RM

This certificate, issued to

Ports of Call Travel Club
2121 Valentia St.
Denver, Colorado 80220*certifies that the change in the type design for the following product with the limitations and conditions**therefor as specified hereon meets the airworthiness requirements of Part * of the Civil Air*
*CAR 4b effective December 31, 1953, Amendments 4b-1 through 4b-10;
Regulations. SR422B and Special Conditions contained in Attachment A of Board
Meeting Minutes dated May 21, 1959.

Original Product — Type Certificate Number: 4A30

Make: Convair/General Dynamics

Model: 30A (CV-990)

*Description of Type Design Change:*Installation of cabin window at Station 479.5 on right side in accordance with
Ports of Call Drawing 953-77001 Revision A, dated December 12, 1977. Removal
of cabin window at Station 384.5 on left side and floor beam reinforcement
in accordance with Ports of Call Drawing 953-77002, dated December 7, 1977.*Limitations and Conditions:* The approval of this change in type design applies to basic
ly Convair Series 30A Airplanes only. This approval should not be extended to other
aircraft of this model on which other previously approved modifications are incor-
porated unless it is determined by the installer that the interrelationship between
this change and any of those other previously approved modifications will introduce
no adverse effect upon the airworthiness of that aircraft. This determination
should include consideration of significant changes in weight distribution such as
an increase in the fixed disposable weight in the fuselage.*This certificate and the supporting data which is the basis for approval shall remain in effect until sur-
rendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the
Federal Aviation Administration.*
